

PROMOTE + PROTECT + PRESERVE

SAVING Our POLLINATORS

A PROJECT SPONSORED BY THE MOBILE COUNTY COMMISSION

If you are asking yourself, what are pollinators and why do they need saving? The answer is simple. Pollinators are butterflies, bees and even humming birds that fertilize plants, resulting in the formation of seeds and the fruit surrounding seeds. Humans and other animals rely on pollinators to produce fruits, nuts and vegetables. Help us save the pollinators.

April 22, 2017 | 9:00 a.m. - 11:00 a.m.

Location #1:

**Mobile County Recycling Center
7450 Hitt Rd, Mobile, AL 36695**

Location #2:

**Mobile County River Delta Marina & Campground Welcome Center Building
2350 Dead Lake Marina Rd # 244, Creola, AL 36525**

The Mobile County Commission will kick-off the “Saving Our Pollinators” campaign by installing two “Butterfly Gardens” at two different locations at the same time on the same day. Join us in this effort to promote stewardship, encourage butterfly gardening and foster volunteer opportunities for Earth Day 2017. Giveaways will be available at each location.
